Our pick of this month's highlights, from things to do and buy, to the latest decor news and the best places to visit

FRESH FACED
Mobelli's Durban showroom has been given a makeover. It's filled with fabulous furniture finds, like this shelf unit, for both inside and out, along with chic accessories. Shop 134, The Crescent, Umhlanga, mobelli.co.za

A Jozi classic
The new Jo'burg chair 903, R3 048, from David Krynauw, gets our thumbs-up for its sleek form and beautiful ash finish. davidkrynauw.com

Northern EXPOSURE

Morris & Co's North and Kindred collection is based on William Morris' Icelandic expedition of 1871. His personal descriptions of the landscape have been beautifully translated into printed fabrics, embroideries and wallpapers. Expect a palette of grey, flax and linen, with gorgeous metallic highlights. See the range at St Leger & Viney. stleger.co.za

PERSONAL BEST

New online store FurnitureSpot offers made-to-order furniture, built to individual specs. Partnering with the best local manufacturers, the process involves uploading your ideas, accepting a quote and awaiting delivery. Find out more at furnitureSpot.co.za

Mighty MURAL

We love the Flora Maxima range from Rebel Walls for its vibrant, joyful impact. The eight designs include outsize florals and contemporary cactus gardens, with an irresistible Frida Kahlo-inspired palette. Available from St Leger & Viney. stleger.co.za

Designer's WISH LIST

Interior designer Heather Boring has her eye on this oval table with an oak shelf, R7 290, from LIM. "It's both functional and beautiful and I love the shape. The elevated shelf allows for a show-stopping ornament or vase of flowers without it taking up valuable space." heatherboring.com and lim.co.za

OUTSIDE IN

Nature continues to inspire interiors and the new Kwai collection from Zoom is no exception. Palm fronds and leaf motifs take on an elegant, geometric slant in summery tones from fresh green to nude. Available at Dreamweaver Studios. dreamweaverstudios.co.za

The big cover up

Renowned product designer Lou Harvey has launched a bold new wallpaper collection. Combining her love of interiors and textile design, the debut range features 12 must-have designs. From old-school stripes and on-trend botanicals, to the familiar bright paisleys, it's a breath of fresh air. louharvey.co.za

MOVING HOUSE

Halogen International has moved from their urban base to design-centric Chelsea Village in Wynberg, Cape Town. Look out for coveted brands like Andrew Martin, Duralee and Dwell Studio. halogen.co.za
